

Bride – On the day £100 - £120 depending on the complexity of the style. This includes full hair prep, application of any hair accessories, florals and veil.

Bridesmaid/Bridal party – On the day £60 - £70 per individual. This is for updo's. More simplistic blow dries can be based on quotation.

Prior to the wedding, we recommend meeting with the bride for a trial session. This allows us to perfect your desired look and ensure everything is just right for your special day.

The trial is charged at an hourly rate of £50, which also serves as a deposit to secure your wedding date.
